Dr. E. S. R. Menon *(Director of Public Health and Panchayats).*—Sir, I rise to move for an allotment of Rs. 2,06,514 under Village Panchayats. I request the House will be pleased to grant this amount.

Motion No. 52.

Mr. A. V. Moothedan *(Chalakkudi).*— "*To reduce the allotment of Rs. 4,272 for Establishment of Director of Village Panchayats by Re. 1. To request the Government to construct a Bathing Tank near Irinjalakkuda Railway Station*".

Sir, at present, there is no river or any bathing place in the neighbourhood. In the summer months cspically Meenam and Medom it is very difficult to bathe. I personally know that people are put to a lot of difficulties and contagious diseases break out because of want of pure water to bathe. I request the Government will be pleased to consider this proposal favourably.

Mr. K. S. Manickam *(Irinjalakuda).*—I rise to support this motion. Near the place referred to there are some public offices which necessitate the presence of officers there and also so many people are going to these offices. There is also a church near by and the whole place is thickly habitated. The absence of a tank for bathing is a necessity which has been felt
